

# SOURCE SELECTION SIMULATION INTACT TRAINING

**May 15, 2015**

- **Simulation was originally designed as DAU South mission assistance source selection training for the USAF but may be tailored for other agencies.**
- **Simulation may be taught using online website or offline in Html using DVD**

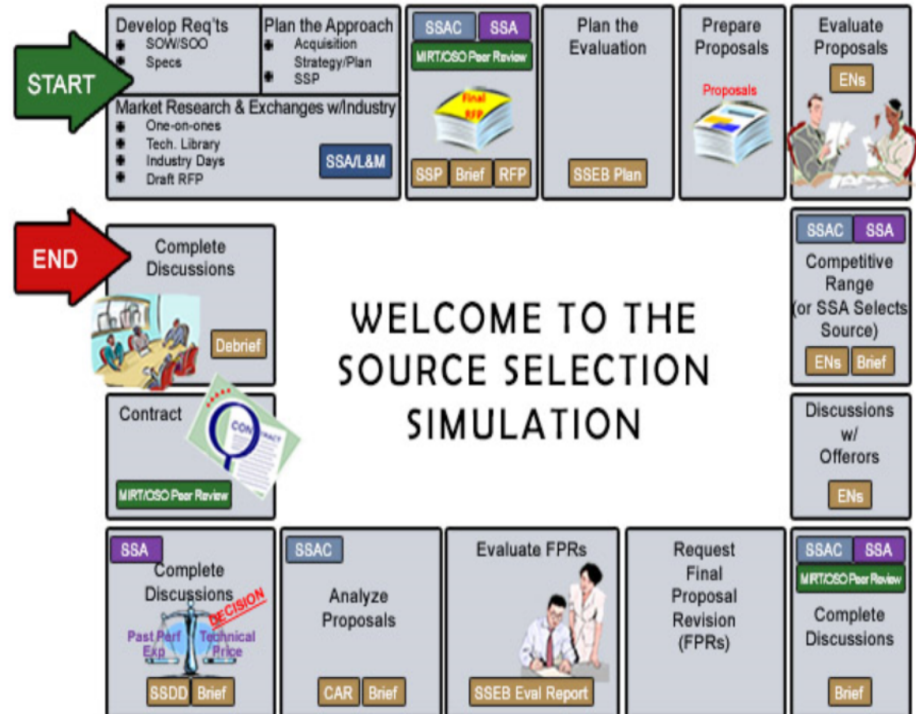

**[www.DAU.mil](http://www.DAU.mil)**

## Source Selection Simulation

The 4-day Source Selection Simulation will take students through daily facilitated discussions and "hands-on" Source Selection exercises starting with an overview of the Pre-RFP process through debriefings to include:

- Receipt of Contractor Proposals
- Initial Evaluation
- Competitive Range
- Interim Ratings
- Evaluation Notice (EN) Writing
- EN Release/EN Responses
- Discussions
- Request for Final Price Revisions (FPRs)
- FPR Receipt
- SSA Final Decision Briefing
- Source Selection Decision Document
- Contract Award
- Protests

**This is an interactive graphic. Sections related to coursework are hyperlinked.**

## Welcome to the USAF Source Selection Simulation CoP!

This site provides access to the Source Selection Simulation Materials and Supporting Training. Training is designed to provide actual hands-on experience of going through a mock 4-day source selection simulation. To reduce printed materials, students will receive a Source Selection Simulation Training CD and have access to a website for future updated materials.

### Purpose

Knowledge Repository for Source Selection Simulation hosted by DAU South Region (Eglin), Mission Assistance training.

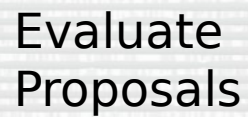

Students will navigate around the game board day-by-day to complete the simulation;

Taken in conjunction with the Services Acquisition Workshop, this training will assist teams from defining requirements through award of a contract
